## Why and Where is Curitiba?

Curitiba has one of the first Water Treatment Station Building in Paraná

We have one the biggest water reservation in the world (aquifers)

Brazil has a great amount of freshwater on the planet

Concept Design:

Patrocínio:

Realização:

SECRETARIA ESPECIAL DA  
CULTURA

MINISTÉRIO DA  
CIDADANIA

## Our Purpose

“To create the First interactive Museum in Brazil, dedicated to uncover the secrets and mysteries of Water”

**To promote behaviour and cultural change about water**

21 - feb - 2019

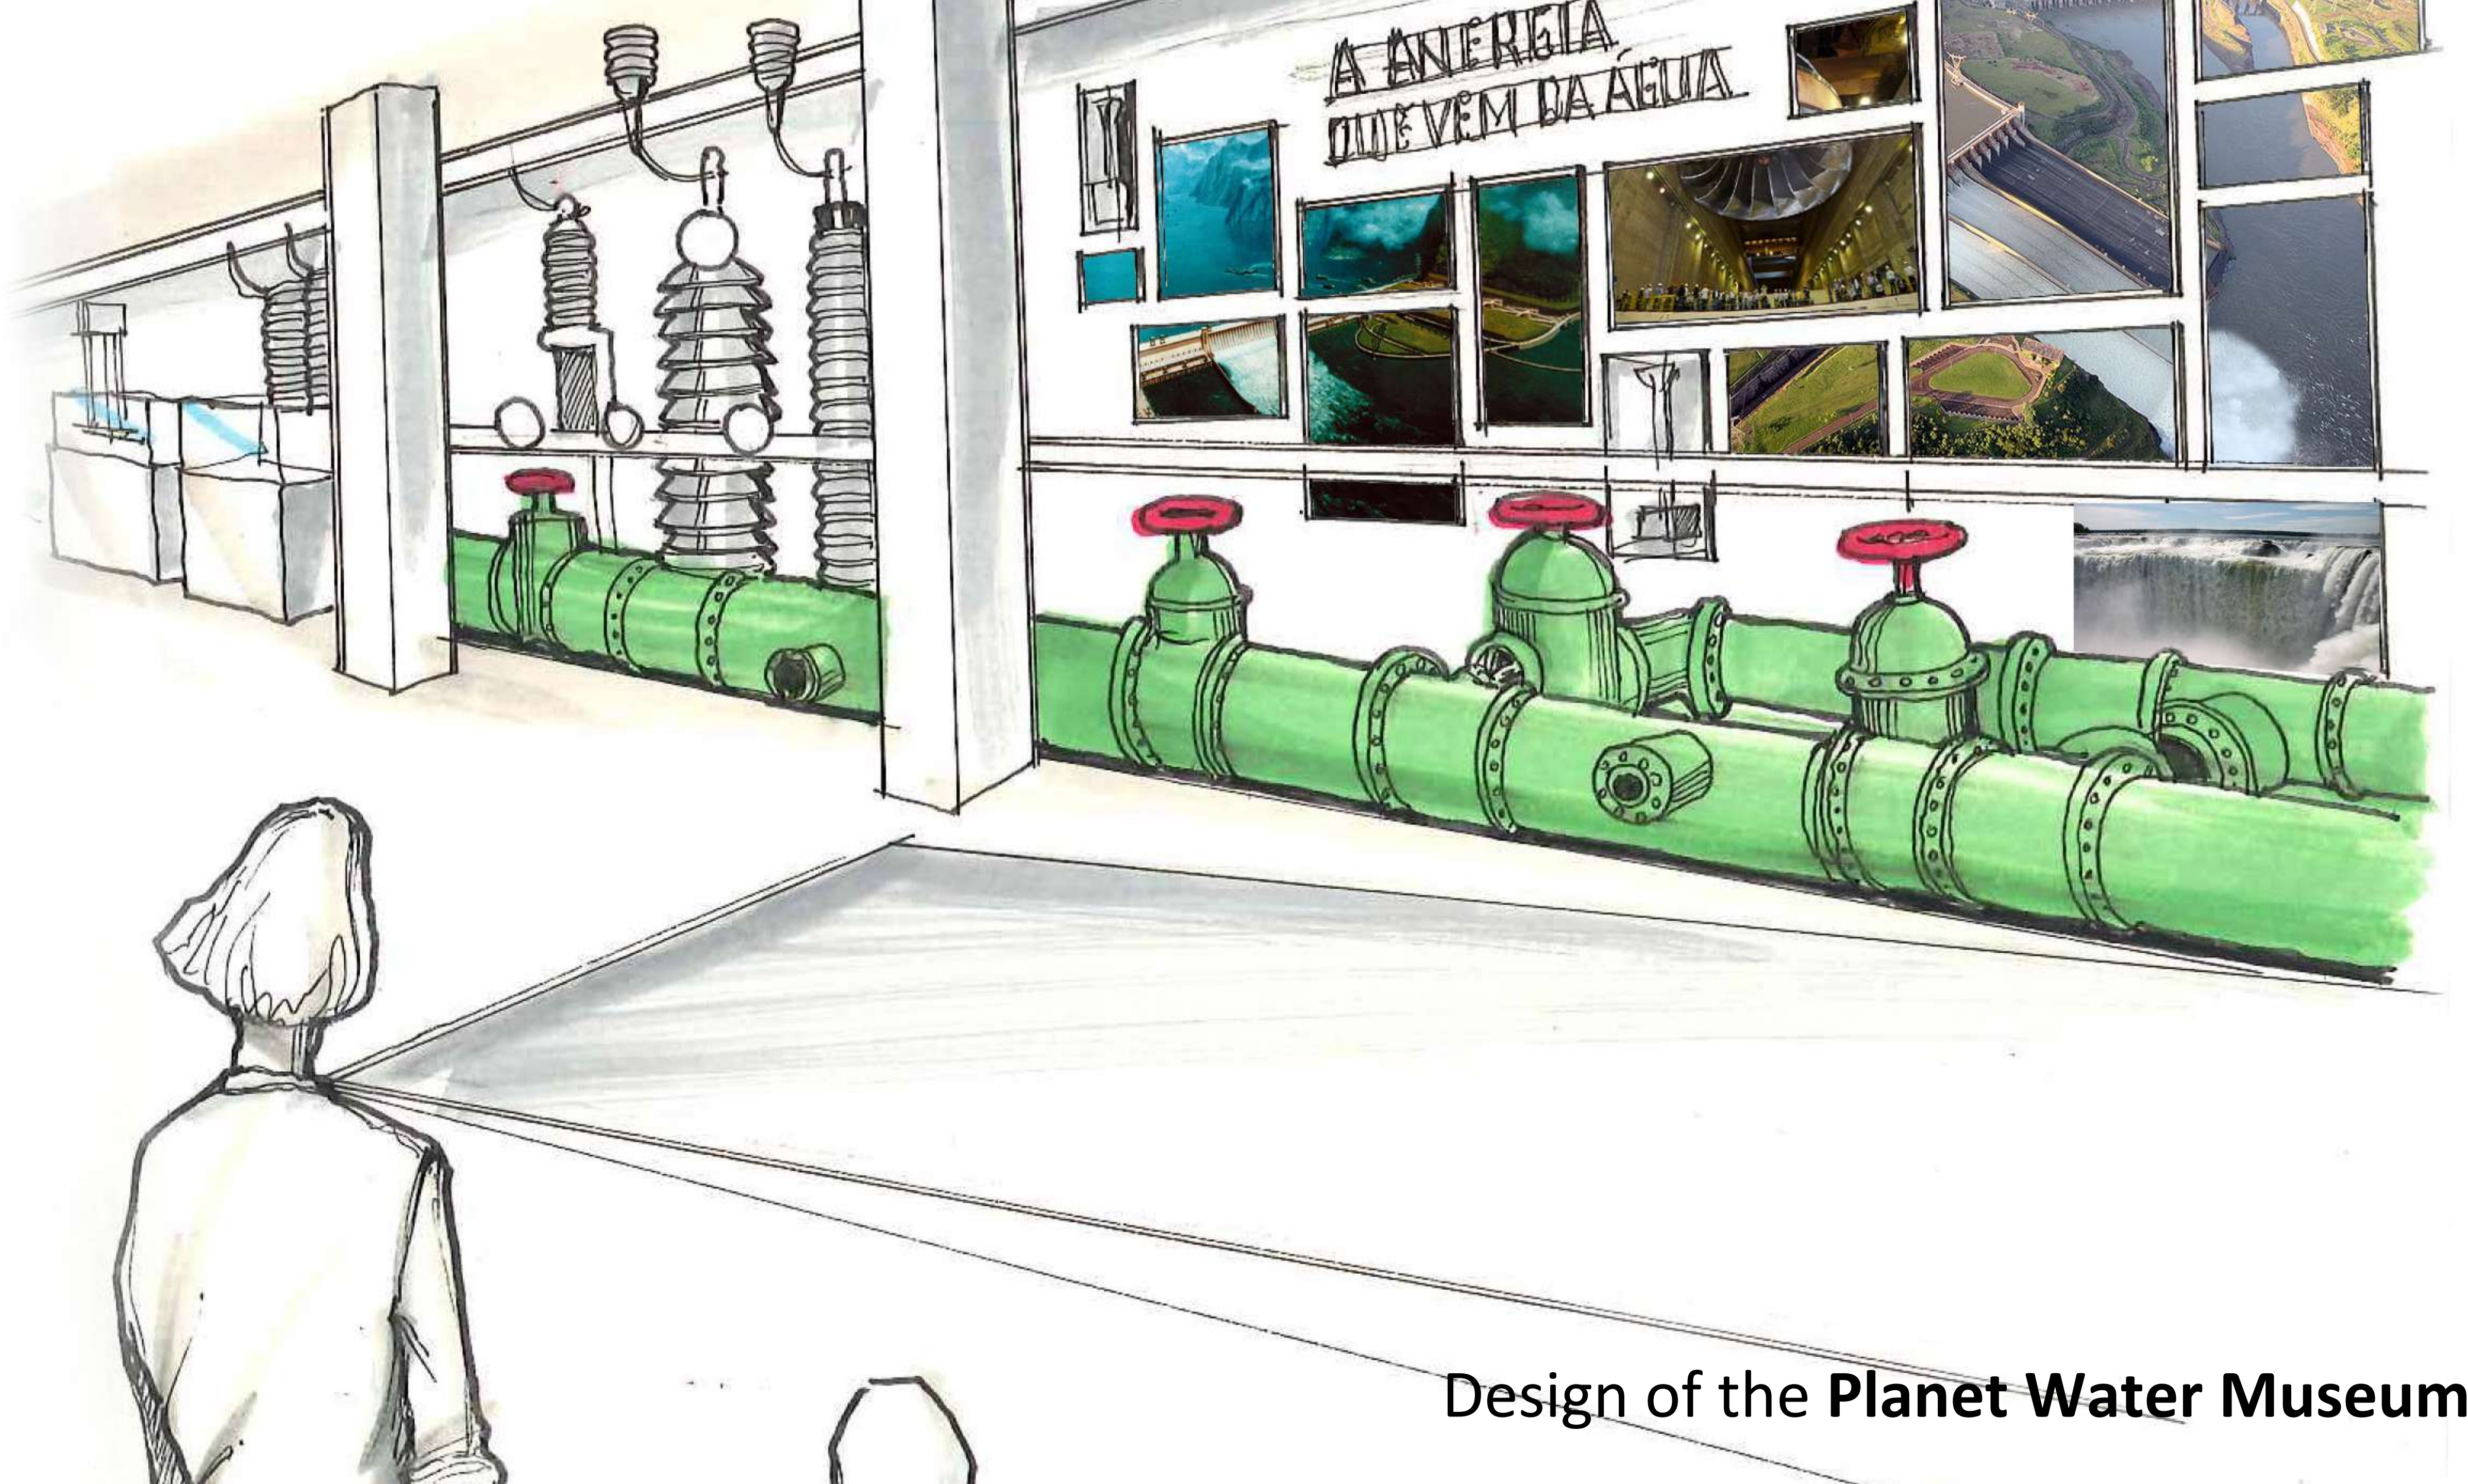

**We invited a group of specialists from different organizations to design the museum with us**

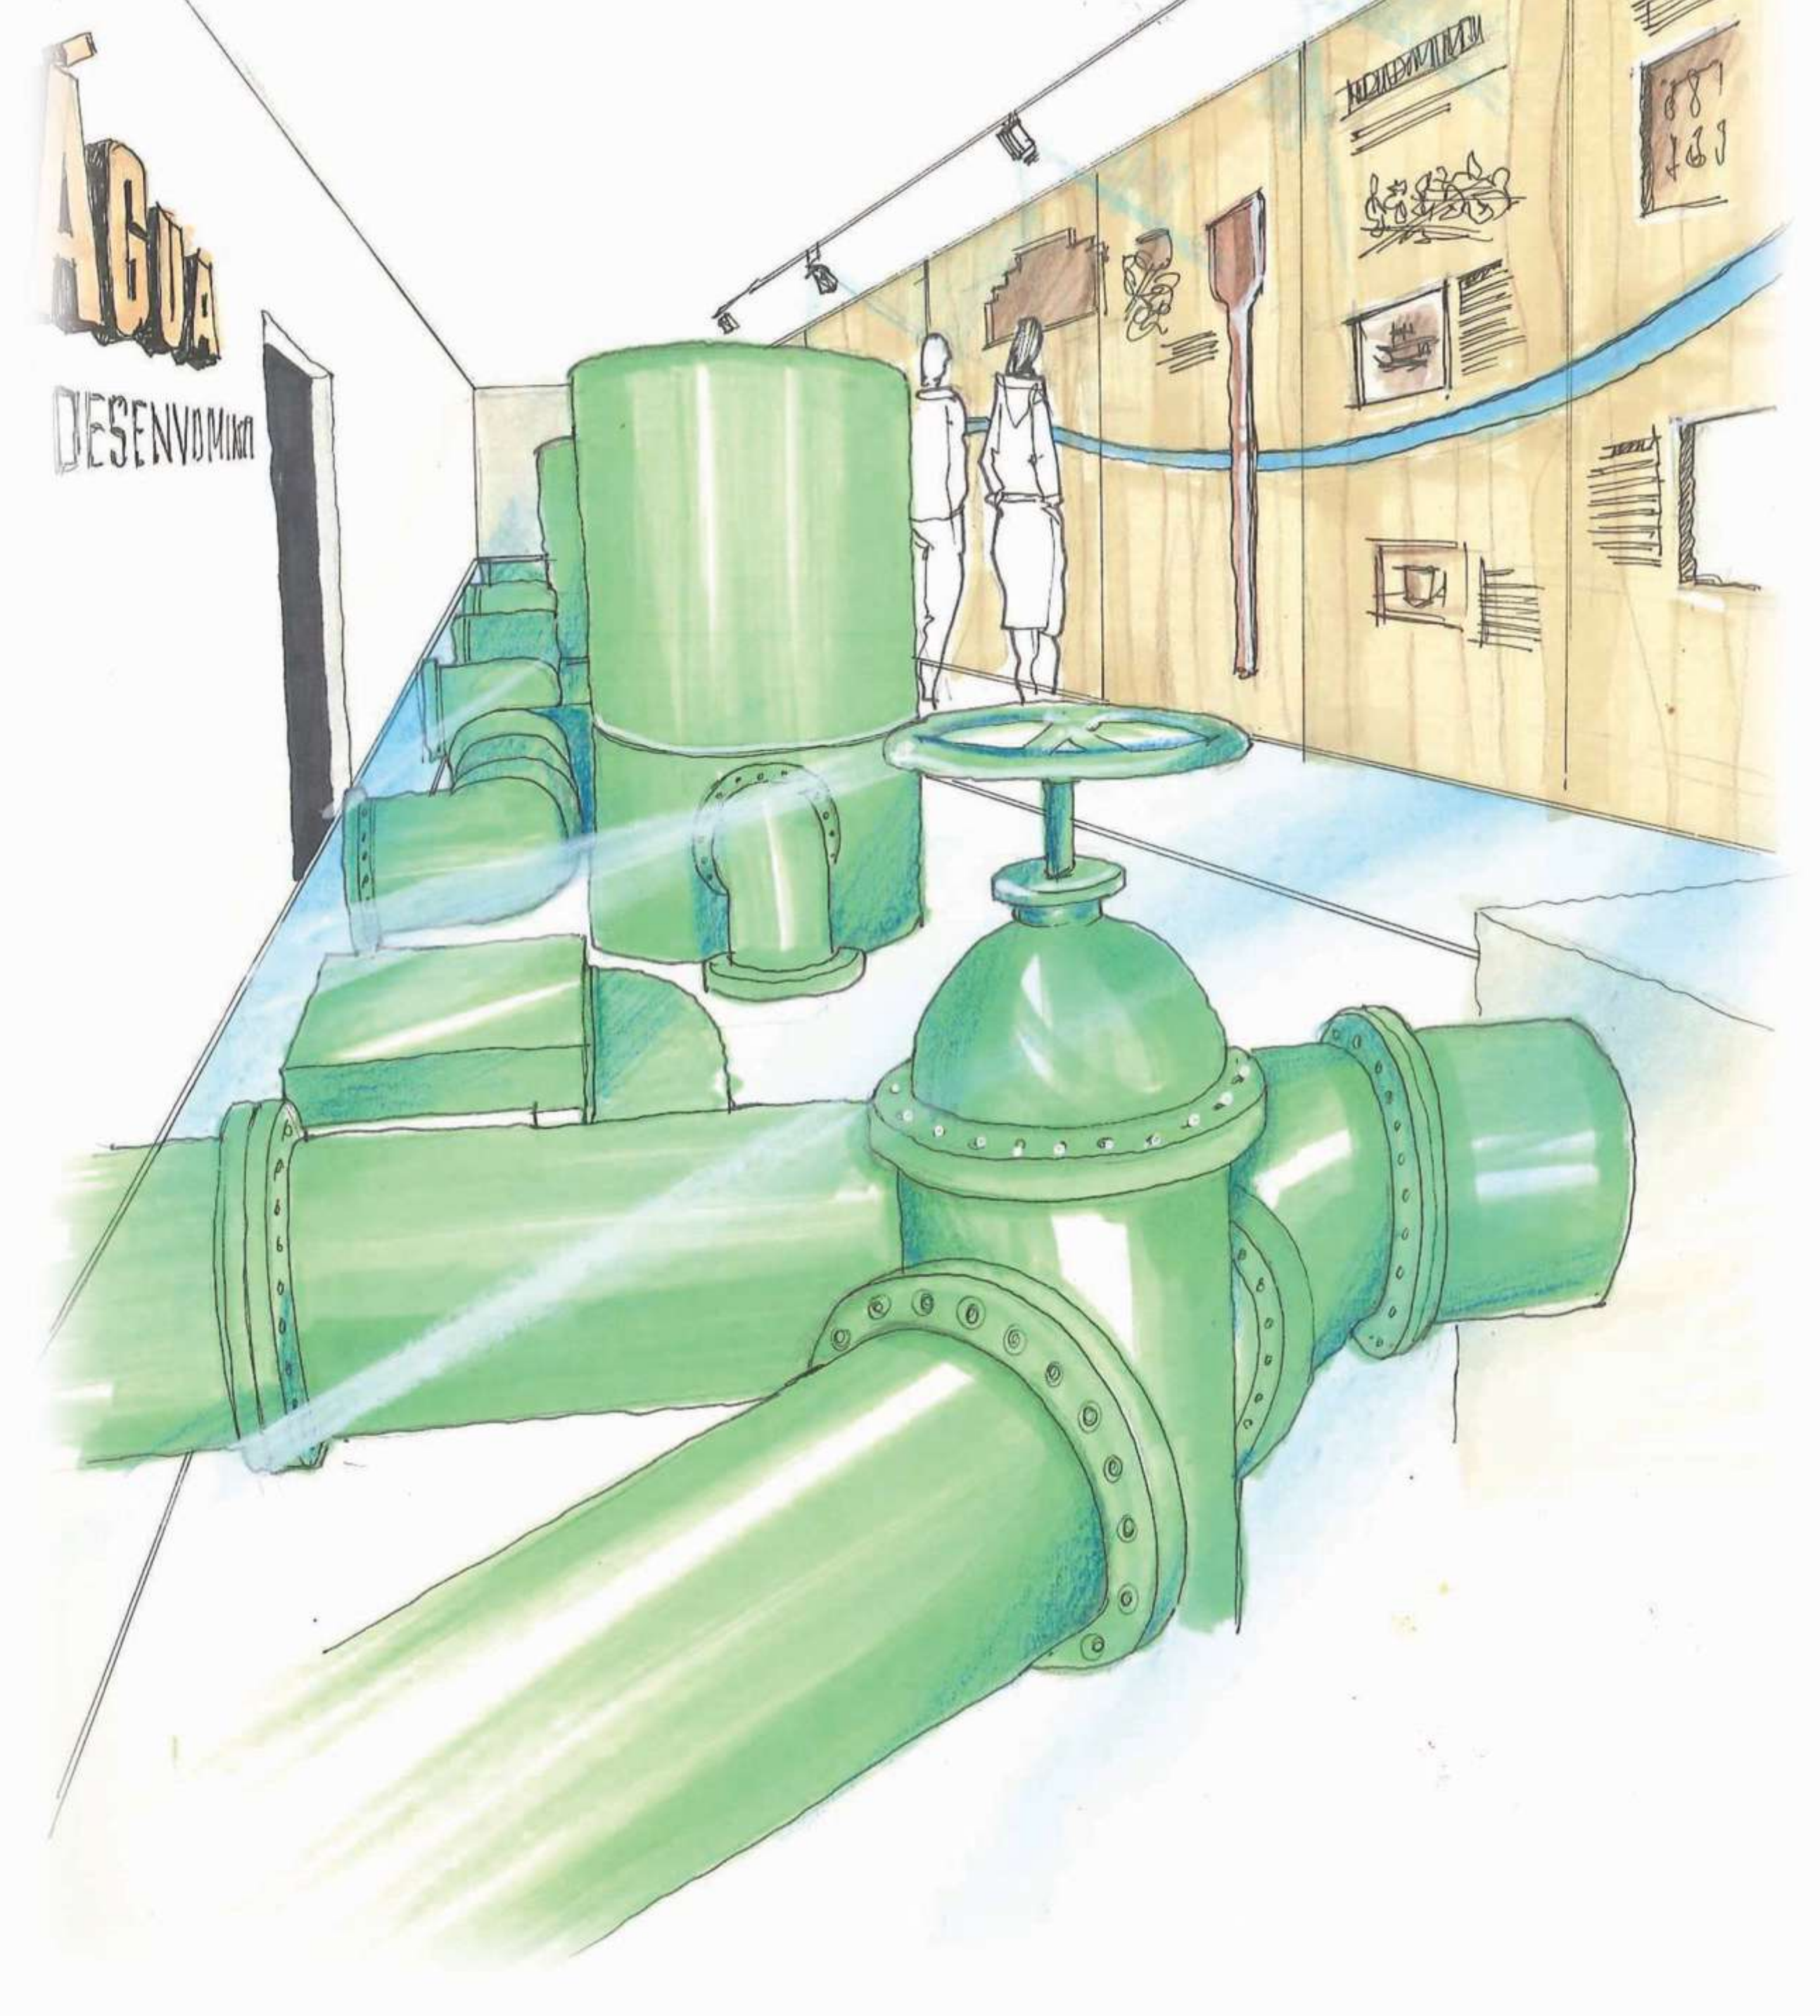

Design of the **Planet Water Museum**
