

Museum BroekerAuction.

Aanvoer op de veiling te Warmenhuizen.

The BroekerAuction

- 1887 1973
- 1978 2004
- 2004 2009
- 2009 present
- Future?

The BroekerAuction

- 50.000 visitors
- Almost fully independant
- Museumprogram (60%)
- Other revenues (40%)
- Positive financial results

- Guided exposition in the new and old building
- Guided boattour in the realm
- Real auction

Of course there are arrangements including a coffeebreak and extensive lunch.

Also possible: to hire a electric boat to discover (parts of) the realm yourself.

To tell <u>the</u> story about Dutch agri- and horticulture and Dutch trading spirit in the past, the present and the future!

Key Goals:

- To preserve what is worth to preserve.
- Preservation by development.
- Together with other stakeholders.

Sustainable Development Goals:

- Sustainable and affordable energy;
- Decent jobs and economic growth;
- Sustainable consumption and production;
- Health and well-being;
- Good education;
- Innovation and sustainable infrastructure.
